Collected Work of Students' Impression on NAU

we do before in my life... scholarship to study master degree in the best and... the best education system, the best... the best standard of teaching which apply in the real work and life, a very big library, the best... place which surrounding of every places both supermarket, eating place, online and... passing, coffee shop, walk way, laundry, delivery services, glass cheap, SUE center... and so... on. I could say everything is in your hands. Come to NAU! It is like come to one new school... in you can enjoy living, studying, learning, eating, shopping, increasing knowledge day by... day and the place of living.

In conclusion, I would like to say thanks to NAU that provide this scholarship to me... country at National Audit Authority, thanks to my all professors that taking great care of... me even for study or for my health one word from my professor is that "Your health and... your safety here is our top concern. I am very excited, and I still keep saying during good... times always morning good and meet only good people like me. I am not perfect I am just... simple girl who love to stay peace, private, silent and happy, but because of the past here... the good act of me being here is the great destiny to have a great chance to arrive China... study master degree of auditing in NAU. I really believe it for sure good mind pure heart... study is the best decision. Believe it or not practice it and you will meet it as me. All in...

study abroad is that I am so interested in other languages, other cultures and other places.

This opportunity to come over to study here in China will really help me get out of my... constant stress and out of the norms of my island. In my life, I have travelled places like... the "Humber Bridge (the second longest in the world)" of UK, "Big Ben and the Eye" of... London, "Taj Mahal and the Ajanta Caves complex (for Buddhist followers)" of India, "Opera House and Sydney Harbour Bridge" of Australia, "New Terror and Eden Park" of... New Zealand and not forgetting the awesome tropical Bora and Isora of Vietnam.

one more, whenever I... family during this long journey, as it is clear for everybody there is growth that makes... people gain, such as life that results for new much. Life is battle and a fight and... success is the matter of persistence.

And I also miss my beautiful office (Supreme Audit Office of Afghanistan) and my home... colleagues especially my colleagues in central budgetary administrative audit department... and my best and confident friend (ANP).

... (Paradise, v 2, p. 437, H 1908), and also said "look knowledge and if China, for... seeking knowledge is obligatory on every Muslim" (Mansur Siddiqi, C-27, p. 27), as it is... clear for everybody there is also growth when quote (Learn from cradle to grow and it's... never too late to learn) because of these quotes and also necessary at urgency of... globalization I am come to china for study for better, superior future.

Right now definitely I am feeling wonderfully well, and this is my pleasure, I have... become one of the foreign students, among around a total of 13126 students in this... beautiful university, I am so happy presently I follow or Continue my master degree in the... only Financial and Economic Institute of Higher Education around the world that carries... (AUEBT).

Over and above, definitely since that day I arrived here in Nanjing Audit University in... new home, I have gathered wonderful memories or impressions from Nanjing Audit... University but I don't know how I can express those unforgettable memories, from where... I shall start, okay let me summarize my great and wonderful memories during passing this... period in Nanjing Audit University my new home in a few key points or number as follow
