# INTRODUCTION

Founded in 1902, Nanjing Agricultural University (NAU) has a history of more than 120 years. It is a pioneer of modern higher agricultural education, research and extension, and the first institution in China to offer four-year bachelor's programs in agricultural disciplines.

NAU is a multi-disciplinary national key university under the administration of the Chinese Ministry of Education. With agriculture and life sciences as its dominant field, NAU has diverse branches of learning in its 20 colleges, such as sciences, economics, management, engineering, law and arts.

NAU now consists of five faculties: Plant Sciences, Animal Sciences, Biology and Environment, Food and Engineering, and Social Sciences. NAU offers 74 Bachelor's programs, 96 Master's programs, and 53 Doctoral programs. Currently we have over 18,000 undergraduate students and over 12,000 graduate students studying at the university. There are more than 2,900 faculty and staff members. Since 2017, the number of international students for both degree and non-degree programs has surpassed 1,000.

# Today's NAU is

## DOUBLE-FIRST CLASS

One of the institutions of higher education with Double First-class Disciplines under China's Double First-class University Project.

A<sup>+</sup>

Seven academic disciplines offered at NAU were graded in the A category (A<sup>+</sup>: Crop Science, Agricultural Resources and Environment, Plant Protection, Agricultural and Forestry Economics and Management; A: Public Administration; A<sup>-</sup>: Food Science and Engineering, Horticulture) according to the results of the 4th round of China's national assessment of First-level Disciplines announced by the Ministry of Education in December 2017. With four A<sup>+</sup> disciplines, NAU ranks No.11 among Chinese universities nationwide.

1<sup>st</sup>

Ranks 1<sup>st</sup> in zero hunger (SDG 2) according to THE Impact Rankings 2020 by SDG.

6<sup>th</sup>

Ranks 6<sup>th</sup> in the latest ranking of "Best Global Universities for Agricultural Sciences" by US News & World Report in 2024.

35<sup>th</sup>

Ranks 35<sup>th</sup> in Agriculture & Forestry according to the 2024 QS World University Rankings by Subject.

1<sup>‰</sup>

Thirteen disciplines—Agricultural Science, Plant & Animal Sciences, Environmental Science and Ecology, Biology and Biochemistry, Engineering, Microbiology, Molecular Biology and Genetics, Chemistry, Pharmacology and Toxicology, Social Science General, Clinical Medicine, Geo-sciences, Computer Science—are among the world's 1% according to Essential Science Indicators (ESI) rankings. In particular, Agricultural Sciences and Plant & Animal Sciences are among the world's top 1‰, placing NAU at the global forefront in these fields.
