

Zhejiang University of Technology
Application Guide of Year 2026 for International Student
(Undergraduate Program)

I General Information

Zhejiang University of Technology is the first provincial and ministerial jointly built university in the eastern coastal region, the first batch of national "Higher Education Innovation Ability Enhancement Plan" (2011 Plan) collaborative innovation center led universities, and the first batch of key construction universities in Zhejiang Province. ZJUT has passed the quality certification of Chinese Higher Education in 2023 and the certification is valid for six years. There are currently 65 undergraduate enrollment majors, covering 12 categories including philosophy, economics, law, education, literature, science, engineering, agriculture, medicine, management, art, and interdisciplinary studies. It has 16 first level discipline doctoral degree authorization points, 5 doctoral professional degree authorization categories, 32 first level discipline master degree authorization points, 3 first level discipline master degree authorization points that do not cover second level discipline, 23 master professional degree authorization categories, and 13 post doctoral mobile stations. Graduates who have completed their studies and meet the requirements of the national degree granting regulations will receive corresponding degrees.

II Catalogue of Specialty for International Student

College	Teaching Language	Major	CSCA Subjects Required
College of Chemical Engineering	English	Chemical Engineering and Technology Applied Chemistry	Mathematics Chemistry
	Chinese	Chemical Engineering and Technology	STEM-Chinese Mathematics Chemistry
College of Pharmaceutical Science	English	Pharmaceutical Science	Mathematics Chemistry

Collaborative Innovation Center of Yangtze River Delta Region Green Pharmaceuticals	Chinese	Pharmaceutical Engineering	STEM-Chinese Mathematics Chemistry
College of Environment	English	Environmental Engineering	Mathematics Chemistry
	Chinese	Environmental Science	STEM-Chinese Mathematics Chemistry
College of Material Science & Engineering	Chinese	Materials Science and Engineering Polymer materials and Engineering	STEM-Chinese Mathematics Chemistry
College of Food Science and Technology	Chinese	Food Science and Engineering (HSK5 required) Food Quality and Safety (HSK5 required)	STEM-Chinese Mathematics Chemistry
College of Mechanical Engineering	English	Mechanical Engineering	Mathematics Physics
	Chinese	Mechanical Engineering Industrial Engineering Process Equipment and Control Engineering Robotics Engineering Vehicle Engineering Logistics Engineering	STEM-Chinese Mathematics Physics
College of Information Engineering	English	Electrical Engineering and Automation	Mathematics Physics
College of Computer Science & Technology (College of Software)	English	Software Engineering Computer Science and Technology	Mathematics Physics
	Chinese	Computer Science and Technology (HSK5 required) Software Engineering (HSK5 required)	STEM-Chinese Mathematics Physics
College of Civil Engineering	English	Civil Engineering	Mathematics Physics
	Chinese	Civil Engineering	STEM-Chinese Mathematics Physics

School of Design and Architecture	Chinese	Visual Communication Design Urban and Rural Planning Digital Media Art Environmental Design	Humanities-Chinese Mathematics
College of Geoinformatics	Chinese	Spatial Information and Digital Technology (2+2 Program)	STEM-Chinese Mathematics Physics
School of Management	English	Business Administration	Mathematics
	Chinese	Business Administration Financial Management Engineering Management Information Management and Information System	Humanities-Chinese Mathematics
School of Economics	English	International Economics and Trade Finance	Mathematics
	Chinese	International Economics and Trade Finance	Humanities-Chinese Mathematics
School of Humanities	Chinese	Advertising Broadcasting and TV Journalism Chinese Language and Literature	Humanities-Chinese Mathematics
International College	English	International Economics and Trade(Specialized in Chinese Business)	Mathematics

Notes:

1. The duration of study for all undergraduate programs is four years.
2. Programs in engineering require a solid foundation in mathematics, physics, or chemistry. Programs in economics and management require a strong mathematical background, while art and design programs require a certain level of artistic and design foundation.
3. Applicants for Chinese-taught programs are required to take the Chinese test paper of the CSCA, whereas those for English-taught programs must take the corresponding English version.
4. English-taught programs generally have a minimum enrollment requirement. Please indicate first and second choices when applying.

5. All enrolled programs commence in the Fall semester.

III Application Deadline

30th May 2026.

Due to enrollment requirements, application deadlines for certain programs are subject to change.

Please refer to the online application portal for specifics.

IV Tuition and Account Information

1. Tuition:

CNY16,200/year (Chinese Medium Program)

CNY18,800/year (English Medium Program)

2. Registration Fee: CNY400 (Not Refundable)

Domestic remittance

Name: Zhejiang University of Technology

Account: 19015601040001412

Bank: Agricultural Bank of China, Zhejiang Hangzhou Zhaohui Sub-branch

Foreign remittance

NAME: ZHEJIANG UNIVERSITY OF TECHNOLOGY

A/C: 19015601040001412

BANK: AGRICULTURAL BANK OF CHINA, ZHEJIANG XIHU BRANCH

BANK ADD: NO.454 TIYUCHANG ROAD, XIHUQU , HANGZHOU ZHEJIANG,
CHINA

SWIFT CODE (CIPS CODE) : ABOCCNBJ110

POST CODE: 310007

V Requirements for Admission

1. General Requirements

(1) Applicants must be 18 to 25 years old (inclusive), in good health, and have graduated from high school.

(2) All applicants must provide a valid CSCA score report. Please refer to the program catalog for the specific test subjects required by each major.

2. Language Proficiency Requirements

(1) For Chinese-Taught Programs:

International students must have an HSK Level 4 score of 180 or above. Some Chinese-related majors may require an HSK Level 5 score of 180 or above. Exemption: Applicants whose compulsory curriculum during secondary education (junior and senior high school) was delivered entirely in Chinese may submit proof of their Chinese-medium instruction instead of an HSK report.

(2) For English-Taught Programs, applicants must meet at least one of the following criteria:

1) Native English Speaker or English as official language, 2) IELTS 5.5/TOEFL 60, 3) Completion of a high school curriculum where the medium of instruction was English, 4) Other English Language Competence are accepted by our university.

3. Nationality Requirements (In accordance with MOE Document [2020] No.12)

(1) Applicants must be non-Chinese citizens holding a valid foreign passport.

(2) Former residents of Mainland China, Hong Kong, Macao, and Taiwan who have emigrated and apply as international students must have obtained their foreign citizenship by April 30, 2022. Additionally, they must provide proof of actual residence abroad for at least two years between April 30, 2022, and April 30, 2026 (A period of 9 months of actual residence in a year counts as one full year, as evidenced by entry and exit stamps).

(3) Applicants who acquired a foreign nationality at birth, and whose parents were both Chinese citizens, or one parent was a Chinese citizen at the time of birth, must meet the following:

The Chinese parent(s) must have obtained permanent residency in a foreign country before the applicant's birth. The applicant must provide proof of actual residence abroad for at least two years between April 30, 2022, and April 30, 2026 (A period of 9 months of actual residence in a year counts as one full year, as evidenced by entry and exit stamps).

Note: If an applicant's Chinese nationality is confirmed by the Exit-Entry Administration of the Chinese public security authorities during the application, admission, or enrollment process, their application eligibility, admission offer, enrollment qualification, or student status will be revoked.

VI Application Procedures

Procedures	Note
Log on the admission website: http://www.iec.zjut.edu.cn	
▽	
Confirm the field of study, application materials to submit and notes	
▽	
Register and log on the application online system (https:// https://zjut.at0086.cn/student), submit the application documents (please log on by google browser)	<ul style="list-style-type: none"> • Make sure that applicant's email address, telephone number and address on the registration forms are correct that ZJUT can send notifications successfully.
▽	
ZJUT will verify the materials and respond within 15 working days on the system	Please do not remit fees before receiving an E-offer on the system

▽	
Remit the Registration fee (CNY 400), upload the scanning of the remittance receipt to the application system	<ul style="list-style-type: none"> • Registration comes into effect after verifying the remittance. • If one fails to pay the registration fee, please contact iec@zjut.edu.cn (e-mail for admission consultation) and then have the registration fee paid in other ways. • The registration fee CNY 400 is non-refundable.
▽	
When the remittance arrives, ZJUT will send notification of way to download the soft copies of official admission letter and Confirmation Form for Study in China to applicant's email and application system mailbox within 5 working days	<ul style="list-style-type: none"> • Applicant should hold a valid VISA with more than one month validity if he/she is in China • Make sure that applicant's email address, telephone number are correct otherwise the admission letter and Confirmation Form for Study in China will not be delivered successfully
▽	
Apply to the Chinese embassies or consulates in applicants' countries for study visa with soft copies of admission letter and Confirmation Form for Study in China	
▽	

Settle the balance of tuition before registration date on admission letter or registration instructions and send the scan of remittance receipt to the designated Email	<ul style="list-style-type: none"> • Please send the payment serial number, student name and passport number when sending the remittance to the email • If one fails to pay the balance of tuition on time, his/her admission will be canceled • An email should be sent to iec@zjut.edu.cn if one has difficulties to do the remittance in time
---	--

VII Application Materials

1. Application form with ID photo (Complete Online).
2. A copy of applicant's valid personal passport (including the bio-data page and all pages with stamps and visas). The passport must have at least two years of remaining validity.
3. High School Diploma. Graduating students can provide pre-graduation Certificate. The original graduation certificate or notarized copy should be submitted before registration.
4. Valid Transcript for the China Scholastic Competency Assessment (CSCA) for International Undergraduate Admissions to China.
5. High School Academic Transcript: A complete record of grades for all senior high school courses is required. Current senior students should submit their most recent transcript. It is recommended to provide the applicant's class rank or ranking percentile. Scores from tests such as SAT, IB, GCE A-Level, ACT, STPM, UEC, AST, or your home country's national university entrance examination (if available).
6. Language proficiency certificates. Applicants for Chinese-taught programs must provide the photocopy of HSK certificate. Applicants for English-taught programs must provide grade report of TOEFL or IELTS test, or other proof which can reflect the applicants' English proficiency (Not required for English native speakers).

7. Health certificate (within 6 month).

8. Non-criminal record certificate.

9. Applicants of foreign nationality who were originally Chinese citizens shall be required to provide: (1) The Certificate of Loss of Chinese Nationality; (2) Documentation certifying the nullification of their Chinese Household Registration (Hukou); (3) Official evidence of their acquired foreign citizenship; (4) A complete record of all international entries and exits pertaining to the period between April 30, 2022, and April 30, 2026.

10. Applicants who attained foreign nationality by birth, and for whom one or both parents were Chinese citizens at the time of birth, shall be required to provide: (1) Official certification of the foreign nationality acquired at birth; (2) Evidence that the Chinese parent(s) held permanent residency status in a foreign country prior to the applicant's birth; (3) A complete record of all international entries and exits pertaining to the period between April 30, 2022, and April 30, 2026.

11. Applicants under the age of 18 (by September 1st, 2026) should submit:

(1) Letter of Guardian Guarantee and the guardian must be an adult living in China.

(2) A notarized copy of the Guardianship Authorization from the applicant's parents.

12. ZJUT International Student Admission Commitment Form (To be personally completed and hand-signed by the applicant).

13. If applicants studied in China before, study certificates and transcripts from former schools in China are required.

Tips:

1. Application documents in other languages must be translated in Chinese or English and notarized.

2. The above application materials need to be uploaded to the application system. The original ones will be checked when doing registration. Those who lack the materials or are inaccurate will not be registered.

3. Zhejiang University of Technology may ask the applicants to submit supplementary materials or take a written examination or interview if necessary.

VIII Admission Method

ZJUT will select the best candidates based on the applicants' highest academic results, valid transcript for the China Scholastic Competency Assessment (CSCA), language proficiency and written examination or interview results, and determine the list of pre-admitted applicants in batches. Applicants can also log in to the Zhejiang University of Technology's international student admissions system to check. Pre-accepted applicants should remit the registration fee (CNY400) to the designated bank account of ZJUT within the stipulated time, and upload the remittance voucher to the online application system. After receiving the registration fee and pre-paid tuition fee, the school will issue the “Admission Letter” and “Confirmation Form for Study in China” (JW202). Admission Letter can be downloaded from the online application system. Download link of the electronic Confirmation Form for Study in China (JW202) will be sent to the permanent email address filled in the application system by the applicant. Applicants who give up coming to our school for personal reasons will not get the refund of registration fee.

Reminder: Please be sure to clearly indicate the payment number, name, passport number and other information of the applicant during remittance.

IX Scholarships

1. Chinese Government Scholarships

(1) Bilateral Program (Type A)

This scholarship is provided by the Chinese government in accordance with cooperative agreements or exchange protocols with governments and institutions of other countries. Applicants must apply through the relevant dispatching authorities in their home countries.

(2) University Program (Type B)

Applicants may apply directly to Zhejiang University of Technology (ZJUT). The specific categories of enrollment are subject to the requirements announced in the program notice. When

filling out the Application Form for Chinese Government Scholarship, applicants must list Zhejiang University of Technology (University Code: 10337) as their first choice institution.

2. Zhejiang University of Technology Freshman Scholarship

Zhejiang University of Technology has established a certain number of freshman scholarships for international students with good academic attitudes and excellent academic results. Please apply on the online application system.

X Insurance

Fee: 1000 RMB yuan/academic year

According to the regulations of Ministry of Education, international students who study for one semester or longer must purchase comprehensive medical insurance in the mainland of China as a necessary requirement for their registration for the new semester. Students who fail to purchase the comprehensive medical insurance as required will NOT be registered by the university. Information related to purchasing insurance will be notified in detail before registration. The admitted students should handle insurance affairs strictly according to the instructions on the notice.

XI Accommodation

Please refer to the Website of International College.

XII Registration

At the beginning of September, 2026, the specific time is subject to the "Admission Letter" and "Registration Notice". Applicants should go to the Chinese Embassy (Consulate) to apply for an entry study (X1) visa with an ordinary passport, soft copies of "Admission Letter" and "Confirmation Form for Study in China" (Form JW202). Applicants who submit an expected graduation certificate, a copy of the HSK certificate, and a copy of the English proficiency test certificate when applying, must provide a formal graduation certificate, the original HSK

certificate/English proficiency certificate when they register. Applicants will be disqualified if they can not provide the required certificates.
