

Zhejiang University of Technology
Application Guide of Year 2026 for International Student
(Graduate Program)

I General Information

Zhejiang University of Technology is the first provincial and ministerial jointly built university in the eastern coastal region, the first batch of national "Higher Education Innovation Ability Enhancement Plan" (2011 Plan) collaborative innovation center led universities, and the first batch of key construction universities in Zhejiang Province. ZJUT has passed the quality certification of Chinese Higher Education in 2023 and the certification is valid for six years. There are currently 65 undergraduate enrollment majors, covering 12 categories including philosophy, economics, law, education, literature, science, engineering, agriculture, medicine, management, art, and interdisciplinary studies. It has 16 first level discipline doctoral degree authorization points, 5 doctoral professional degree authorization categories, 32 first level discipline master degree authorization points, 3 first level discipline master degree authorization points that do not cover second level discipline, 23 master professional degree authorization categories, and 13 post doctoral mobile stations. Graduates who have completed their studies and meet the requirements of the national degree granting regulations will receive corresponding degrees.

VII Application Materials

1. Application form with ID photo (Complete Online).
2. A copy of applicant's valid personal passport (including the bio-data page and all pages with stamps and visas). The passport must have at least two years of remaining validity.
3. Graduation Certificate for the Highest Academic Degree Obtained. Graduating students can provide pre-graduation Certificate. The original graduation certificate or notarized copy should be submitted before registration.
4. Official Transcript for the Highest Degree Obtained.
5. Language proficiency certificates. Applicants for Chinese-taught programs must provide the photocopy of HSK certificate. Applicants for English-taught programs must provide grade report of TOEFL or IELTS test, or other proof which can reflect the applicants' English proficiency (Not required for English native speakers).
6. Health certificate (within 6 month).
7. Non-criminal record certificate.

8. Two recommendation letters from professors or associate professors in Chinese or English, with the recommenders' phone numbers and email addresses.

9. Published Academic Papers or Research Achievements (if available).

10. Applicants of foreign nationality who were originally Chinese citizens shall be required to provide: (1) The Certificate of Loss of Chinese Nationality; (2) Documentation certifying the nullification of their Chinese Household Registration (Hukou); (3) Official evidence of their acquired foreign citizenship.

11. Applicants who attained foreign nationality by birth, and for whom one or both parents were Chinese citizens at the time of birth, shall be required to provide: (1) Official certification of the foreign nationality acquired at birth; (2) Evidence that the Chinese parent(s) held permanent residency status in a foreign country prior to the applicant's birth.

12. ZJUT International Student Admission Commitment Form (To be personally completed and hand-signed by the applicant).

13. If applicants studied in China before, study certificates and transcripts from former schools in China are required.

Tips:

1. Application documents in other languages must be translated in Chinese or English and notarized.

2. The above application materials need to be uploaded to the application system. The original ones will be checked when doing registration. Those who lack the materials or are inaccurate will not be registered.

3. Zhejiang University of Technology may ask the applicants to submit supplementary materials or take a written examination or interview if necessary.

VIII Admission Method

ZJUT will select the best candidates based on the applicants' highest academic results, language proficiency and written examination or interview results, and determine the list of pre-admitted applicants in batches. Applicants can also log in to the Zhejiang University of Technology's international student admissions system to check. Pre-accepted applicants should remit the registration fee (CNY400) to the designated bank account of ZJUT within the stipulated time, and upload the remittance voucher to the online application system. After receiving the registration fee and pre-paid tuition fee, the school will issue the “Admission Letter” and “Confirmation Form for Study in China” (JW202). Admission Letter can be downloaded from the online application system. Download link of the electronic Confirmation Form for Study in China (JW202) will be sent to the permanent email address filled in the application system by the applicant. Applicants who give up coming to our school for personal reasons will not get the refund of registration fee. Reminder: Please be sure to clearly indicate the payment number, name, passport number and other information of the applicant during remittance.

IX Scholarships

1. Chinese Government Scholarships

(1) Bilateral Program (Type A)

This scholarship is provided by the Chinese government in accordance with cooperative agreements or exchange protocols with governments and institutions of other countries. Applicants must apply through the relevant dispatching authorities in their home countries.

(2) University Program (Type B)

Applicants may apply directly to Zhejiang University of Technology (ZJUT). The specific categories of enrollment are subject to the requirements announced in the program notice. When filling out the Application Form for Chinese Government Scholarship, applicants must list Zhejiang University of Technology (University Code: 10337) as their first choice institution.

2. Zhejiang University of Technology Freshman Scholarship

Zhejiang University of Technology has established a certain number of freshman scholarships for international students with good academic attitudes and excellent academic results. Please apply on the online application system.

X Insurance

Fee: 1000 RMB yuan/academic year

According to the regulations of Ministry of Education, international students who study for one semester or longer must purchase comprehensive medical insurance in the mainland of China as a necessary requirement for their registration for the new semester. Students who fail to purchase the comprehensive medical insurance as required will NOT be registered by the university. Information related to purchasing insurance will be notified in detail before registration. The admitted students should handle insurance affairs strictly according to the instructions on the notice.

XI Accommodation

Please refer to the Website of International College.

XII Registration

At the beginning of September, 2026, the specific time is subject to the "Admission Letter" and "Registration Notice". Applicants should go to the Chinese Embassy (Consulate) to apply for an entry study (X1) visa with an ordinary passport, soft copies of "Admission Letter" and "Confirmation Form for Study in China" (Form JW202). Applicants who submit an expected graduation certificate, a copy of the HSK certificate, and a copy of the English proficiency test certificate when applying, must provide a formal graduation certificate, the original HSK certificate/English proficiency certificate when they register. Applicants will be disqualified if they can not provide the required certificates.
