**SILK-ROAD CHINESE GOVERNMENT SCHOLARSHIP PROGRAM
HARBIN ENGINEERING UNIVERSITY**

In order to strengthen mutual understanding and friendship between the Chinese people and people from the whole world, and to develop cooperation and exchange in fields of education, science, culture, economy and trade between China and other countries, Chinese government has set up a Silk-road Chinese Government Scholarship Program to sponsor outstanding international students and scholars to undertake studies and research in Chinese institutions of higher education.

I Student Categories and Duration of Scholarship

| Student Categories | Duration of Major Studies | Duration of Remedial Chinese Language Studies (Chinese Taught Programs only) |
|----------------------------|---------------------------|--|
| Master's Degree Candidates | 3 years | 1 year |
| Doctoral Degree Candidates | 4 years | 1 year |

II Application Deadline

Applicants should apply to Harbin Engineering University by **May 20, 2026**.

III Nationalities

IV Programs Offered (Taught in English)

01

Design and Construction of Naval Architecture and Ocean Structure

Research Directions

Theory and Method of Ship Design and Manufacture, Science and Technology of Deep Sea, General Performance and System of Marine Power Equipment, etc.

02

Power Engineering and Engineering Thermophysics

Research Directions

Power System Control and Measurement, Structure and Strength of Power System, Special Power and New Energy, etc.

03

Control Science and Engineering

Research Directions

Complex System Theory and Nonlinear Control, Autonomous Control of Unmanned Vehicle, Modern Ship Control Engineering, etc.

04

Information and Communication Engineering

Research Directions

Underwater Target Detection and Identification Technology, Underwater Communication and Network Technology, Intelligent Information and Image Processing, etc.

05

Mechanics

Research Directions

Mechanics of Composite Materials, Hydrodynamics, Computational Fluid Mechanics, etc.

V Eligibility

- 1 Applicants must be non-Chinese nationals in good health.
- 2 Age limit, educational background and language required:
 - a.Applicants for master's degree studies must have a bachelor's degree or equivalent and be under the age of 35;
 - b.Applicants for doctoral degree studies must have a master's degree or equivalent and be under the age of 40.
- 3 Applicants who apply to use Chinese as professional teaching language must have a language proficiency of HSK Level 4.
- 4 Excellent academic results in study (75 of 100 at least).
- 5 Applicants should not apply for any other scholarship.

VI Details of the Scholarship

- 1 Tuition fee and on-campus accommodation fee;
- 2 800 Yuan RMB per year for Comprehensive Medical Insurance;
- 3 Monthly living allowance is granted to the candidates (Yuan RMB per month):
Master's degree candidate: 3000 Yuan RMB
Doctoral degree candidate: 3500 Yuan RMB

NOTE The scholarship does NOT COVER international air tickets and transportation and living expense for family members.

VII Application Materials

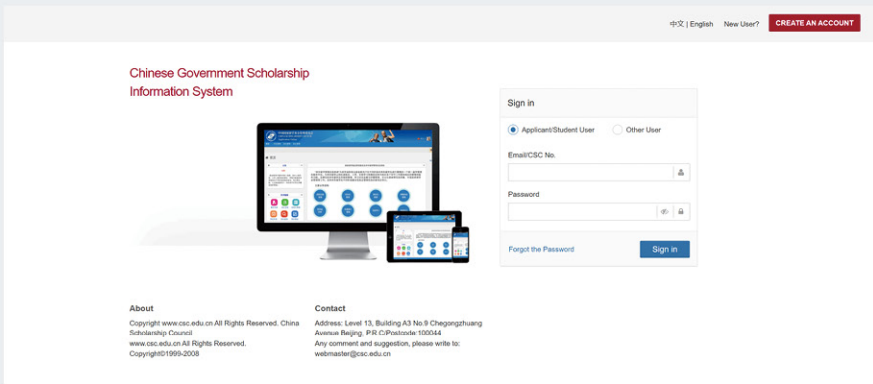

The applicants must SUBMIT the following materials truly and correctly to CSC and HEU ONLINE application systems.

1 Online application form (in Chinese or English).

(1) Online Application for Chinese Government Scholarship.

Applicants are required to fill in the application information, upload application materials in the "Online Registration System for Studying in China" on the CSC website and submit the application.

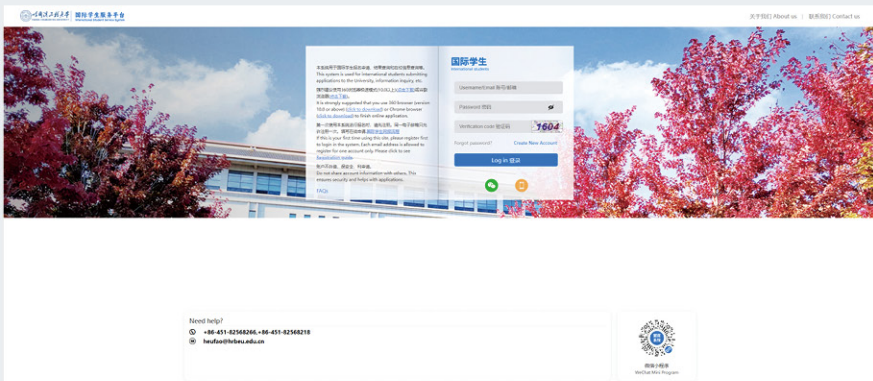

- a. The CSC Online Application System for Study in China is available at <http://studyinchina.csc.edu.cn> (To choose STUDENT log-in, and choose Type B)

- b. The agency number of HEU is 10217

(2) HEU On-line Application.

Applicants should visit the "International Student Service System" of Harbin Engineering University <https://hrbeu.at0086.cn/student>, fill in the application information, upload the application materials, and submit the application.

2 Passport homepage. If the validity period of the current passport does not meet the requirements (the passport validity period should be later than December 2026), please apply for a new passport in a timely manner.

3 Notarized highest diploma. If applicants are university students, they must submit an expected graduation certificate (by July 2026) or proof of enrollment issued by their school of study.

4 Notarized Academic Transcripts (from the undergraduate program onwards). Copies of academic records from first to last semester during the undergraduate, graduate (if any), and doctoral programs (if any) shall be provided. These transcripts shall be issued and sealed by the attending university's academic affairs office, graduate school, or student management department. They can be in Chinese or English, but must be attached with notarized English translations if they are in foreign languages other than English.

5 Language proficiency certificates. Applicants for Chinese-taught programs must submit valid HSK band 4 certificate or above level certificate that meet the corresponding Chinese proficiency requirements. Applicants for English-taught programs shall provide English proficiency certificates, e.g. IELTS (6.0) or TOFEL (90) or above level certificate;

6 A study plan proposal. A study plan written in Chinese or English shall contain more than 1,000 characters or words; the proposal of a doctoral student shall be signed by the applicant's Chinese supervisor (Study Plan format download from <http://studyheu.hrbeu.edu.cn>);

7 Recommendation letters. Two letters of recommendation (written only in Chinese or English) from professors or associate professors shall be submitted. These letters

shall describe the applicant's objectives of learning in China, evaluation of applicant's comprehensive abilities and future growth, as well as the cooperation between the supervisors or the exchange between universities both in China and abroad (written in English or Chinese with signature);

8 Applicants under the age of 18 should submit the valid documents of their legal guardians in China;

9 The Foreigner Physical Examination Form. The physical examination form should be completed in Chinese or in English. The form is designed by the Chinese quarantine authority and can be obtained from university. The physical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital, or a sealed photograph of the applicants are invalid. Please select the appropriate time to take a physical examination as the result is valid for only 6 months.

10 Non-criminal report. The applicant shall submit a valid certificate of Non-Criminal Record issued by the local public security authority, usually issued within 6 months prior to the submission date of the application

 **NOTE**

Uploaded supporting documents must be clear, authentic and valid. Applicants are recommended to use a professional device to scan the relevant documents. Applicants shall bear the consequences caused by unclear or unidentifiable uploaded materials. The above original application paper materials are **NOT** required to be sent or posted to the International Office, Harbin Engineering University, but online application systems should be completed **before May 20, 2026.**

VIII Approval and Notification

1 HEU will review all the application materials and is authorized to make necessary adjustments on specialties and duration of study. The application will be seen as invalid and will not be processed if the applicants are not qualified or the application materials are inconsistent with the recruitment regulations or are incomplete.

2 Applicants are encouraged to contact the professor prior to application and please enclose the relevant admission or recommendation letter if there is.

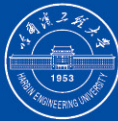

3 Applicants are not permitted, in principle,

to change their supervisors, specialties, institutions, or the duration of study specified in the Admission Notice after registration.

4 HEU will send Admission Notice and Confirmation Form for Study in China (JW201) to the relevant dispatching authorities by July 31, so as to have these documents forwarded to the awardees. The scholarship results will be announced on <http://studyheu.hrbeu.edu.cn>, the part of NOTICE.

5 Applicants who cannot register before September 30 are regarded as giving up the scholarship.
