# 学校简介

Introduction

南京中医药大学创建于1954年

国家“双一流”建设高校

江苏高水平大学建设高校 (A类)

教育部、江苏省人民政府与国家

中医药管理局共建高校

Nanjing University of Chinese Medicine (NJUCM) is a university included in the national Double First-Class University Plan and the Jiangsu High-Level Construction University Plan, a university jointly constructed by the People's Government of Jiangsu Province and the State Administration of Traditional Chinese Medicine.

学校拥有仙林、汉中门、泰州三个校区。设有11个学院及第一、二、三临床医学院、鼓楼临床医学院等教学机构，拥有15个附属医院和3个附属药企。学校现有在校生2万余名，教职工2千余人。

NJUCM has three campuses in Xianlin, Hanzhongmen and Taizhou, with 11 colleges and teaching institutions including the First, Second and Third Clinical Medical Colleges and the Gulou Clinical Medical College, 15 affiliated hospitals and 3 affiliated pharmaceutical companies. It now has more than 20,000 students and 2,000 faculty members.

学校ESI学科综合排名、软科世界大学学术排名、自然指数排名、U.S.News全球最佳院校排名等世界大学排名均居于全国中医药院校领先地位。

The university consistently ranks among the leading TCM universities in China in various global university rankings such as ESI, ShanghaiRanking (ARWU), Nature Index, and U.S. News Best Global Universities.

学校是国家教育部批准来华留学教育及台港澳地区学生教育的首批高等中医药院校之一，已实现来华留学教育的汉语培训、本科、硕士和博士的全周期培养，学校是世界卫生组织（WHO）传统医学合作中心、国际针灸培训中心、国家中医药服务出口基地、亚非拉中医药国际教育培训基地，已培养来华留学生万余人。

It is one of the first higher colleges of TCM approved by the Ministry of Education to accept and train foreign students as well as students from Taiwan, Hong Kong and Macao, and has achieved the full cycle of Chinese language training, undergraduate education, master's degree and doctoral degree in the education of students studying in China. The university is one of the WHO Collaborating Centers for Traditional, Complementary and Integrative Medicine, International Acupuncture Training Center, and National TCM Service Export Base, Asia-Africa-Latin America International Education and Training Base for TCM. The university has trained more than 10,000 international students.
